

All india validity of arms license issued by J&K

Escrito por johntimber - 21/04/2018 12:09

Hi,

One of my friend recently obtained a NPB .32" pistol license from J&K with all India permit. Now he is residing in Jharkhand state. In spite of the fact that Jharkhand is a very disturbed state due to naxals and other anti social elements, highways are not safe, major cities are filled with criminals and murder is a very common word in every day news papers, businessmen and other rich citizens are soft targets. My question is whether his license is genuine for Acquisition/ possession/ carrying and use for self protection/display and can he carry his arms throughout India. Can J&K state have authority to issue such arms license. Kindly clear this situation with references and provisions into the Indian arms act.

Any help will be appreciated.

I didn't find the right solution from the Internet.
